

Winter Gift Experience

We are extremely excited to announce a Winter Gift Experience event from 18th of December, 3pm -6pm. The event will be outside, in front of St.Richard's Church.

Children will be able to receive a gift and take a picture with Santa (optional).

We are asking all parents to kindly spread the news as we are planning to offer gifts for up to 100 children additional to the children attending the nursery.

This event is organised in partnership with Ealing Council.
